Grund til salg i Álora

€59,000

This beautiful sloping plot is 10.398m² and is preparing to build a “casa de apero”. A large retaining wall has been built to support this “casa de apero”. There is a licence for building on a ground floor area of 52m² and a second floor of 31m². To give an example: if you have a permit for a ‘casa de apero’, which is a barn or a storage room...
