Land til salg i Abanilla

€38,995

This 9,120 m² plot is located in a peaceful area of Abanilla, surrounded by other houses and with easy road access. It is a special urbanizable plot, which allows for the construction of one two-storey villa per 2,500 m², making it ideal for a private residence or as a small development project. The property includes its own water well, and...
