Land til salg i Torrox

€48,000

This is one of our rustic plots in Andalusia. It is located between Cómpeta and Torrox. This plot measures approximately 4906 m². It is reached via a partly concreted road, partly a dirt road. Part of the road is steep. The access road divides the plot into two parts. A quarter of the land is below the road, the rest is above the road in a strip...
