

Landhus til salg i Algaida

€795,000

On a level plot of over 314,000 m2 near Pina is this slightly elevated country house of 271 m2 with views of the pine forest and the mountains. The house can either be renovated with the existing space and without a pool, or it could be demolished to build a new house of up to 300 m2 with a pool on another part of the plot. The land has many fruit...
