Landhus til salg i Álora

€799,000

More than a property, a piece of Andalusian history: this traditional cortijo in Álora, mentioned in Fernando Olmedo Granados' book "La arquitectura agraria en Andalucía", stands as an authentic example of the region's rural architecture. With over 1,600,000 m² of land, its value lies not only in its size but also in its cultural heritage. Located...
